

Shift Your IT Spend Between Data Center and Cloud.

EVOQUE SpendAgility™*

- › Avoid Contract Lock-in
- › Hedge Against Unknown Future
- › Maximize Return on IT Investment
- › Gain Organizational Alignment
- › Partner with Trusted Advisor

*Terms and Conditions Apply.

Your applications evolve, at Evoque we believe your infrastructure should be as well. What if you could shift your spend between colocation, cloud and everything in between? With SpendAgility™, your colocation costs can be reallocated to colocation, cloud, connectivity, cloud engineering or colocation at a new Evoque location throughout your contract term.

Put the Workload at the Center of your Infrastructure Planning & Shift Spend.
